

THE PRESIDENT'S ADDRESS

NCSBN Annual Meeting
INDIANAPOLIS
August 3-5, 2011

*Three inches ...
... a wretched height to be*

The probability of transition from private to public sector:

$$p(\hat{a}, \hat{y}, \mu) = \frac{1}{2} \Pr(w, \hat{a} + x^1, \hat{y} \geq w^1)$$

Attracted by Purpose

- Intrinsic motivation
- Need for achievement
- Higher values on service to society
- Goals important

The most satisfied people are those “...who do the jobs...with everything they have of energy and enthusiasm and hard work.”

- Harry S. Truman

Transforming Regulatory Leadership?

- Begins with awareness
 - Focus on team/organizational goals
 - Activate higher order needs in order to serve a purpose

Regulation as a ...

- ... market displacement
- ... protection against information failure
- ... assurance of minimum quality

You DO have the purpose, goals, and
intrinsic motivation to make the
difference that you do ~

Thank you!
