PARTNERSHIPS

If you want to go quickly, go alone
If you want to go far, go together
BUILDING TRUST
CLARITY OF GOALS

- What does alignment mean?
- To what end?
- Who are our clients?
- What are their health care needs?
- How must the system evolve to meet their needs?
- What competencies must a nurse have to practice in this new world?
CLARITY OF GOALS

- Clinically competent, safe nurse
- Prepared for practice – “hit the ground running”
- Critically thinking
CHALLENGING TAKEN FOR GRANTED ASSUMPTIONS & PRACTICES
I had an Epiphany!

"I had an epiphany."
CHALLENGING
ASSUMPTIONS

• Generalist practice
• Fundamentals of nursing
• Nursing Process
CHALLENGING
ACCEPTED PRACTICES
CHALLENGING
ACCEPTED PRACTICES

• Clinical Education
SUPPORTING INNOVATION

Its always” sit, stay heal!” never “Think, Innovate, Be Yourself”
My question is “Are We Making an Impact?”
YOUR TURN

• What partnerships/alliances do you need to form?

• What are your goals?

• What are our assumptions & do they hold up in this new environment?

• How will you support innovation while holding to standards?

• What are our educational outcomes and how will we assess them?
