COVID-19 Vaccination Meeting Attendance Requirements

NCSBN is committed to protecting the health and safety of its staff, members and other individuals who attend NCSBN conferences and meetings in-person. Accordingly, effective December 2021, all in-person attendees at any NCSBN conference or meeting will need to provide proof that they are fully vaccinated against COVID-19.

An individual is considered “fully vaccinated” if at least two weeks have passed since the individual’s receipt of the second dose of an FDA approved two-dose COVID-19 vaccine or since the individual’s receipt of the first dose of an FDA approved single-dose COVID-19 vaccine.

Instructions regarding the proof of fully vaccinated status that will be accepted and how to submit that information for review will be provided prior to the start of the meeting.

Individuals who are not fully vaccinated one day prior to an NCSBN in-person meeting or conference, or who have not by that date submitted appropriate proof of their fully vaccinated status as required, will not be permitted to attend in-person but may attend virtually.
