STATE OF OREGON
Policy Analyst, Advance Nursing Practice

Interested individuals must apply online at Oregon Job Opportunities.

JOB CODE: Policy Analyst, Advance Nursing Practice REQ-3503

OPENING DATE/TIME: 03/13/2019

CLOSING DATE/TIME: 05/01/2019

SALARY: $5,828.00 - $8,172.00 Monthly

JOB TYPE: Permanent

LOCATION: Tualatin, Oregon

AGENCY: Board of Nursing

DESCRIPTION:

The Oregon State Board of Nursing (OSBN) safeguards the public's health and well-being by providing guidance for, and regulation of, entry into the nursing profession, nursing education and continued safe practice.

The Board is seeking a part time .90 FTE (36 hours per week) Policy Analyst to join our agency. This permanent management service position is located in Tualatin near Bridgeport Village.

This recruitment announcement will be used to establish a list of qualified candidates to fill the current vacancy and may be used to fill future vacancies as they occur.

This analyst position will work with agency management to evaluate systems that support programs in Advance Nursing Practice such as education and assessment; coordinate and facilitate stakeholder groups; research, analyze, and develop reports pertinent to rule and policy development; and evaluate administrative rules and draft revisions or new rules based on statute or changes in legislation.

What are we looking for?

- Conduct survey visits of post-secondary and graduate nursing education programs to ensure compliance with laws and regulations for program approval.
- Positively impact the nursing profession by reviewing proposals for major curriculum changes and new program development.
- Lead, plan and coordinate research projects related to nursing education. Write issue papers based on research finding.
- Evaluate the benefits and consequences of rule and policy changes intra-departmentally, statewide, and nationally.
- Provide consultative expertise regarding nursing education issues, standards and trends on the state and national level.
- Develop materials and conduct presentations regarding the Nurse Practice Act and Board policies as they apply to licensure, practice, education and trends in nursing.
- Consult with licensing staff on education credentials for non-routine applications for licensure including those educated outside the United States and those requiring re-entry program completion.
- Accountable for the reviewing, updating and writing of Division 21 and 31 of the OAR Chapter 851. Consult with other Policy Analysts regarding overlap of OAR Chapter 851.
