Presenter
NCSBN Learning Extension

- [Announcer] Want to keep the momentum of your nursing career going? Continuing education is key.

E-learning courses for established nurses from NCSBN Learning Extension offer a wide range of subjects to help you fulfill your continuing education requirements and advance your career.

Learning Extension's ever-evolving course catalog features courses on managing patient outcomes, maintaining standards of practice, providing care with compassion, and strengthening relationships with your colleagues.

Nursing CE courses are a convenient and affordable way to earn required continuing education contact hours.

Most courses cost between $15 and $30 with credit ranges between one to six contact hours. Plus, you'll get unlimited 24-hour access to your courses online for anytime, on-the-go learning.

Sharpen your existing skills and learn new ones along the way. The rest of your career starts today.

Visit learningext.com, and enroll in a course now.
