

Are you looking for a **quick, easy, secure and FREE** way to keep on top of your nurse licensure status?

In just a few minutes, you can self-enroll into **Nursys e-Notify®** and receive licensure status updates, track license verifications for endorsement and create and manage multiple license expiration reminders. Keeping on top of your license status can help you prevent fraudulent licenses or certificates being issued in your name.

Powered by the U.S. boards of nursing, Nursys e-Notify is the National Council of State Boards of Nursing database. It is the only national database for licensure verification of registered nurses (RNs), licensed practical/vocational nurses (LPN/VNs) and advanced practice registered nurses (APRNs).

Nursys is live and dynamic, and all updates to the system are pushed directly from participating boards of nursing (BON)* databases through frequent, secured data updates.

This innovative nurse licensure notification system was previously only available to institutions that employ nurses but is now available free of charge to you.

Creating an account is quick and easy. Enroll at www.nursys.com/e-notify and select "As a Nurse" to complete the registration process.
