A Few Words of Wisdom

Life is 10% of what happens to you and 90% of how you react.

Charles R Swindoll
American Clergyman

“The wisdom of those
that took those first
steps in ensuring the
place of regulation in
this world.”

Shirley Brekken

An Adaption of the Words of Einstein

The health problems of today cannot be addressed by the competencies of yesteryear. We must as regulators be focused on the horizon as we guide the preparation of tomorrow's practitioners.

Focused and Synergistic
