♪ [music] ♪ - [Woman] I welcome you again to the 45th Annual Meeting of the National Council of State Boards of Nursing.

- [Carol] When I think of NCSBN, I think of brilliance. I think of impact. I think of the power of the collective. ♪ [music] ♪ The depth of the expertise in NCSBN, which is beyond the organization, it is all of us who are members of NCSBN.

♪ [music] ♪ - [Susan] Strength, resilience, keep going, and I think that that is emulated through the conference theme of Shine Through. ♪ [music] ♪ - [Lori] Being together, and celebrating 45 years of this excellent organization, and how far we've come in that short amount of time is brilliant.
